We have examined the formula for making the "Home Bitters," and uniestiatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they belong, being highly Tonic, Stimulant, Stomachic, Carminative and slightly Laxative. The mode of prepareing them is strictly in secondance with the rules of pharmacy. Having used them, seen its effect in our private practice, we take pleasure in recommending them to all persons desirous of taring Bitters, as being the best Tonic and Stimulant now offered to the public.
